

LOS ANGELES SCDA WORKSHOP

GRATITUDE IS THE KEY TO ABUNDANCE & PROSPERITY

(Presented by Napoleon C.)

Saturday, February 24th 2018

Registration: 12:30PM • Workshop: 1PM - 4PM

“When you are grateful fear disappears and abundance appears.”

– Tony Robbins

Do you feel like no matter what you do, you can't get rid of the negative thinking?

Are you constantly worrying about things that never come to pass?

The reason is that your brain is still operating from fear, like it has for decades.

Today, my life is full of abundance, prosperity, happiness and fearlessness!

I have effectively rewired my brain –according to scientists, anything that you do for 21 days or more creates new neuropaths in the brain. I no longer think the same way – I love my life!!!

I want to share the insights of doing this transformational work with you!” –Napoleon

In this workshop, you will learn a new way of bringing to your life whatever you want, and using hypnotherapy and Neuro Linguistic Programming, Ken D., will teach us how to:

- ***Program your brain for abundance and prosperity***
 - ***Learn to rewire your brain***
 - ***Tips to getting out of fear in the moment***
 - ***Learn to wake up serene and optimistic***

Bring a pad, a pen and an OPEN MIND!
