*“If we are painstaking about this phase of our development, we will be amazed before we are half way through. We are going to know a new freedom and a new happiness. We will not regret the past nor wish to shut the door on it. We will comprehend the word serenity and we will know peace.”*

## **How Do the Steps Lead to Experiencing the Promises?**

12 recovering debtors will share their experience, strength, and hope about how the working of each of the 12 Steps of Debtors Anonymous has made each of the 12 Promises a reality in their lives and businesses. Many on our panel will give special attention to their experiences as business owners or freelancers, but all with a desire to stop incurring unsecured debt, one day at a time, are encouraged to attend.

We welcome recovering debtors with an interest in exploring a vision of business ownership to find connection, inspiration, and hope at this event.

**\$12 Suggested Donation** (*Nobody will be turned away for lack of funds.*)
