Greetings, Fellow Debtor!

Welcome to the Inaugural SoCal DA Newsletter. We're so happy you're able to be part of our larger community and work towards a spiritual and serene recovery. This newsletter is the updated version of the Checks and Balances Newsletter that was circulated as paper copies in meetings pre-pandemic.

We welcome you sharing the news with your other fellows and letting them know they can sign up at any time at socalda.org. Feel free to print this email and distribute at in-person meetings.

Diverse Perspectives in DA

Your Recovery Voices Matter!

SCDA is seeking stories written by debtors of diverse backgrounds (BIPOC, LGBTQ+, immigrants, people with disabilities, etc.) that uplift the experience, strength and hope across the fellowship.

Written submissions of your recovery story are necessary to continue making inclusive features in our future Checks and Balances publications and/or to be highlighted on the SCDA website (www.socalda.org)

We're looking for stories that are relatable and empowering . Your recovery provides support to new and existing DA / BDA members that often don't see themselves represented in these spaces.

Submissions should be between 500-1500 words. Send your recovery submission story via email to publicinfo@socalda.org. Your work will be carefully reviewed and considered by a representative subcommittee. You will be notified via email if your submission is selected. Please allow 3-4 weeks to review all submissions.
